

1 Products & Pricing

For One Person

A single-user license allows one person to install and activate the software on up to two computers at a time.

One program = \$119
 Two different programs = \$198 (save \$40)
 Three different programs = \$287 (save \$70)
 All four programs = \$376 (save \$100)
For CDs, add \$3 per program.

For quantities other than one, please attach a separate page.

For One School Campus

A site license allows unlimited use at one school campus for three years. Renewals are based on 40% off on then-current prices.

One program = \$319
 Two different programs = \$528 (save \$110)
 Three different programs = \$767 (save \$190)
 All four programs = \$996 (save \$280)
For site licenses CDs do not cost extra.
